Pival International Inc. opened Pival Expedite headquarters in Cambridge on June 20.

Established in 2003, the parent company operates seven distribution centres in Canada. The move to Cambridge centralizes its dispatch, sales, distribution and administrative operations with a view to continued growth and job creation.

For Cambridge, it means about 30 employees within the office administration and trucking team. The 3,800-square-foot office located at 460 Thompson Dr. will be the centralized location for logistics operations.
